

RECITAL FEES 2010

Bunker Dance Center, 7850 W. Ann Rd #130, 89149 (702) 878-7870

Recital fees are different from costume fees. Recital fees help to pay for the rental of the theatre, union labor, required security guards, lighting, lighting gels, backdrops, gaffer's tape, programs, technicians, music editing, and myriad of other things involved in the Dance Concerts' production. Included with your recital fees are tickets to the Dance Concert. **Tickets will be general seating and will be available for pick up on Picture/Pre-Registration Days, May 6th-8th.** Additional tickets may be purchased for all shows in advance at the studio as of May 6th, or at the door. The concerts and dress rehearsal are held at the **Faith Lutheran High School Theatre**. Additional ticket prices for all shows, except the Saturday evening Company Showcase, are \$12.00 in advance and \$15.00 at the door, and for the Saturday evening Company Showcase prices are \$15.00 in advance and \$18.00 at the door. We strongly urge only children three years and older attend concerts. Thank you and prepare to enjoy beautiful shows starring your children!

Recital fees are due no later than April 1, 2010

***If you pay your Recital Fees February-March, you will receive two free tickets in addition to your amount stated below!**

Recital fees are Per Family and based on the amount of dances a family will perform. For example, one child taking one tap/ballet combo class will only have one recital dance number. A family with two children each taking two classes will have four recital dance numbers.
